WELCOME TO ANANTARA SPA

After exploring the Eighth Wonder of the World that is Angkor Wat, step into our temple of serenity to unwind with rebalancing Anantara Spa journeys combining the warmth of traditional Cambodian culture and the intuitive touch of our therapists to offer precious moments of revelation and soothing beauty.

Leave behind the stresses of everyday life and begin to synchronise the subtle energies of your being with spa programmes designed for your supreme wellbeing, each experience gently coaxing your body, mind and soul into a blissful state of peace.

AT ANANTARA SPA, THE GREATEST JOURNEYS ARE FELT, NOT TOLD.

Opening hours: 10.00 am - 9.00 pm

SIGNATURE ANANTARA EXPERIENCES

Found around the world, Anantara Spas tap the deep wells of local knowledge to present the best of healing techniques perfected by our therapists and beloved by our guests.

ANANTARA SIGNATURE MASSAGE (60/90 Minutes)

Combining Eastern and Western techniques with our signature oil blend, this multitasking massage stimulates the circulation and deeply relaxes the muscles. Reflexology, meanwhile, clears blockages of energy and promotes overall wellbeing.

BAMBOO SIGNATURE MASSAGE (90 Minutes)

Using aromatic oil and a set of warmed bamboo sticks in various sizes, this distinctive massage incorporates stroking and rolling techniques to release muscular knots and tension, reduce toxin accumulation and fluid retention, and encourage healthy circulation.

HIMALAYAN THERMAL THERAPY MASSAGE (90 Minutes)

This full body ritual harnesses the ancient energy of the Himalayan Mountains by using ethically-sourced, hand-carved Himalayan salt stones to dissolve all your mental and physical tension. The stones reintroduce 84 minerals and trace elements to the body to induce the ultimate state of equilibrium while encouraging the body's natural detoxification.

As you transcend into a state of total relaxation, your therapist will proceed with a facial massage using iced Rose Quartz Gua Sha crystals to promote muscle relaxation and improve circulation for glowing skin. This luxuriant ritual is crowned with a deeply rejuvenating Indian Head Massage with a signature Anantara twist.

CHAKRA BALANCE THERAPY MASSAGE (60 Minutes)

To lull you into a deep state of meditative relaxation, singing bowls are used to begin and conclude this rebalancing ritual. In addition to promoting physical and emotional tension release, the experience harmonises energy flow, stimulates blood circulation and aids in the body's natural detoxification.

INDIGENOUS KHMER THERAPIES

At Anantara Spa, we draw on the healing traditions of each locale to fully immerse guests in the destination. Here, in Siem Reap, where centuries-old Khmer wellness traditions are still part of people's lives, we were inspired by ancient techniques and indigenous herbs to design treatments that deliver proven therapeutic benefits.

TRADITIONAL KHMER MASSAGE (60/90 Minutes)

At the root of this traditional therapy lie the rigorous stretching and body alignment techniques originally created to revitalise local monks after long periods of meditation. This unique massage style is performed without the use of oil and its benefits include enhanced flexibility, improved circulation and renewed equilibrium of the body and soul.

KHMER HERBAL COMPRESS MASSAGE (90 Minutes)

This age-old Thai treatment removes negative energy and sluggishness, soothes muscle tension and eases out stiffness. The healing session begins with the application of a warm poultice containing therapeutic Khmer herbs and spices, followed by a full-body massage with aromatic medicinal oil.

MASSAGES

Anantara's therapeutic and stress-relieving massages use authentic Asian-inspired techniques combined with infusions of exotic, rare ingredients to lead you on a path to relaxation and eliminate the tensions of everyday life.

STRESS RELEASE MASSAGE (60/90 Minutes)

Using a combination of strokes and acupressure techniques, along with the signature aromatherapy oil blend of your choice, this gentle massage delivers waves of deep relaxation and pure bliss.

DEEP TISSUE MASSAGE (60/90 Minutes)

Select an aromatic oil for a customised, flowing massage that works deeply into tension and encourages optimum circulation according to your needs, be it muscle pain or stress relief, relaxation or balance.

DETOX MASSAGE (60/90 Minutes)

Beat fatigue and sluggishness associated with toxin build-up through hand movements designed to stimulate and invigorate. We put emphasis on relieving fluid retention and muscle ache caused by sedentary lifestyle and bad posture. A precise sequence of basic massage strokes used in combination with our signature oil blend is what makes this reviving therapy so effective.

BACK, HEAD AND SHOULDER MASSAGE (30/60 Minutes)

Designed to relieve stress and tension by concentrating on specific areas of the back, neck and shoulders, this massage can also be tailored to your specific requirements.

INDIAN HEAD MASSAGE (30/60 Minutes)

Based on Ayurvedic principles, this soothing yet energising massage combines pressure point techniques and coconut oil to relieve tension in the head and neck. While restoring tranquillity, the treatment can also help to relieve insomnia, chronic headaches, migraines and sinusitis.

FOOT REFLEXOLOGY (30/60 Minutes)

Experiences holistic balance and deep relaxation with a resetting therapy that delivers complete physical renewal. Your therapist will use specific thumb, finger and hand techniques applied to various reflex points on the feet to effectively stimulate the corresponding organ group in the upper body.

FACIAL TREATMENTS

NATURAL FACIAL (60 Minutes)

Deeply cleansing and nourishing, our Natural Facial encourages sensitive skin to appear and feel healthier, clearer and softer. Natural products infuse the complexion with luminous radiance through a combination of healing, moisturising and refreshing ingredients such as coconut oil, seaweed powder, honey, yogurt and cucumber.

ANANTARA SIGNATURE FACIAL (60 Minutes)

Our signature facial combines a blend of nourishing plant extracts and traditional Thai ingredients to encourage cell renewal and oxygenation. Lapse into a state of pure relaxation with a gentle massage followed by a herbal mask to restore the natural balance of your skin.

GRACEFUL FACIAL (75 Minutes)

This advanced treatment uses a powerful triple-action formula derived from botanicals to firm, lift and strengthen the skin as well as reducing the appearance of fine lines and wrinkles, leaving your skin deeply hydrated and uplifted.

ANANTARA FACIAL FOR MEN (75 Minutes)

An anti-ageing booster for tired and stressed skin, this treatment combats the harsh, ageing effects of frequent shaving, environmental pollution, a hectic lifestyle and constant travel for the ultimate skin overhaul.

BODY TREATMENTS

Cell renewal occurs naturally, yet slows down as we age leading to dull, lifeless and dry skin. Exfoliation accelerates the process by stimulating the circulation of blood through the lymphatic system to bring oxygen and nutrients to the surface of the skin, at the same time assisting the body to flush away toxins.

BODY SCRUBS

NATURAL JASMINE RICE HERBAL SCRUB

(60 Minutes)

A blend of Cambodia's jasmine rice, black sticky rice, jasmine oil, plain yogurt, honey and fresh orange juice function as a gentle exfoliation to soothe and soften your skin the natural way, followed by a hydrating treatment to revitalise your complexion.

KAMPOT SALT SCRUB

(60 Minutes)

This pampering body polish incorporates a combination of freshly ground sea salt mixed with homemade prolei powder made from a native herb, with an addition of rosemary and eucalyptus essential oil to rejuvenate and resurface the skin. An indulgent Khmer cream massage concludes the treatment, leaving your skin as soft as velvet.

HIMALAYAN PINK SALT SCRUB

(60 Minutes)

Incorporating ground Himalayan pink salt, kaffir lime and eucalyptus essential oil, the luxuriant body polish gently rejuvenates and smoothes the skin. The application of traditional Khmer cream locks in the moisture and rejuvenates the body and mind.

BODY WRAPS

KAMPUCHEA BODY WRAP

(60 Minutes)

A seasonal body wrap using fresh local ingredients drains toxins and impurities from your body while providing deep relaxation. Natural yoghurt and highlands honey are used to purify and hydrate while indulging your senses.

ALOE VERA BODY WRAP

(60 Minutes)

Wonderfully soothing and cooling, aloe vera is applied to sunburned skin to aid the healing process. Wrapped in a body mask, unwind while the tincture penetrates deep into the skin, providing relief and comfort. This treatment can be applied daily until redness has reduced.

DETOX CLAY BODY WRAP

(60 Minutes)

A powerful blend of massage and detoxifying clay for targeted toning and tightening on hips, thighs, abdomen and back of arms.

HAND AND FOOT CARE

Bringing you the latest in manicure and pedicure science, our pampering treatments offer soothing rituals based on cleansing, exfoliation, massage and nourishment, as well as advanced cuticle care and precise nail polish application.

MANICURE (60 Minutes)

Take a moment to yourself as an expert therapist treats your hands and nails to a sequence of soaking, filing and buffing, followed by a nourishing scrub and gentle massage, before applying an immaculate paint finish.

PEDICURE (60 Minutes)

Feet are first soaked to soothe and soften, nails then clipped, filed and buffed to perfection. A foot scrub replenishes, and a massage deeply relaxes. An immaculate paint finish concludes this lavish beauty ritual.

HAND SPA (90 Minutes)

Taking a classic manicure one step further, this anti-ageing hand treatment ensures that you emerge with younger-looking hands and pristine, pampered nails.

FEET SPA (90 Minutes)

Our intensive foot treatment focuses on the aesthetics to instantly bring back your feet's youthfulness for a softer, smoother and healthier look. The experience is also deeply relaxing and will leave you with a spring in your step.
