There are as many as 293 luxurious rooms and villas in the resort that are characterised by Asian-inspired luxury, tasteful furnishings, and spectacular views of the lagoons or the Palm. The impressive choice of private villas includes Beach Pool Villas, each fitted with a personal infinity pool. Over Water Villas are poised over the Arabian Gulf with glass viewing panels and are completely unique to the Middle East. Say yes to rejuvenation as you hit their newly-opened, luxuriously traditional Turkish Hammam at Anantara Spa with your beloved.

**DO**

Opt for a sunset outdoor wedding ceremony as you step out barefoot in the golden sands that line the coast of The Palm Jumeirah. For a lavish indoor event, the Palm Ballroom is the ideal pick. Melt into massages at the Anantara Spa.
