LOCATION

Anantara Sahara Tozeur Resort & Villas is located in Tozeur. This city is known for its distinctive architecture most evident in its 14th century Medina and makes an excellent base for longer forays into the surrounding area, including the mesmerizing Chott El Jerid, Tunisia's largest salt lake, and the mountain oases to the north. Bounded on one side by an enormous Palmerian and with the desolate snow-white expanse of salt on the other, the town feels at once far-flung and urban and lively. This untouched landscape can be found 6 kilometres from Tozeur-Nefta International Airport.
