

FINEST LUXURY YACHT *Nirvana*

EXPLORE
THE MALDIVES
IN STYLE.

Cutting edge design and excellent maritime performances make Nirvana your luxurious choice when it comes to chartering a luxury motor yacht in the Maldives.

The Sunseeker Manhattan 53 model is equipped with a hard top that may easily be retracted.

Whether you're onboard for a short stay or a long break, six guests can unwind and appreciate the surroundings on this remarkable motoryacht.

Step onto the main deck and you'll discover high style and fine furnishings in abundance. The contemporary twin helm seats back onto a spacious main saloon with large seating area and separate dining space. The centrepiece is undoubtedly the flybridge. A practical, elegant space, both pilot and passenger can experience the pure enjoyment of cruising along in the open air.

Below deck, two double cabins plus one twin offers serene and elegant areas to relax in sublime style. An additional sunpad on the foredeck and hydraulic bathing platform to the stern, make the Manhattan 53 ideal for those looking to get away from it all.

EXPERIENCE

A team of professional crew members are at your service every second you are on board. Their expert knowledge of the local sites ensures maximum pleasure out of every excursion.

In privacy and at your own pace, cruise between a string of coral islands, moor close by a secluded reef in azure tranquil waters and snorkel some of the world's most treasured reefs in absolute solitude.

For water sports enthusiasts, Nirvana provides seamless access to all the best secret spots in the Maldives for world-class scuba diving, surfing and snorkelling.

The Sunseeker Manhattan 53 is also designed to house a Jet Ski to make your Indian Ocean adventures even more thrilling!

SPECIFICATIONS & FEATURES

Sleep on board with overnight stays in any of three luxury cabins.

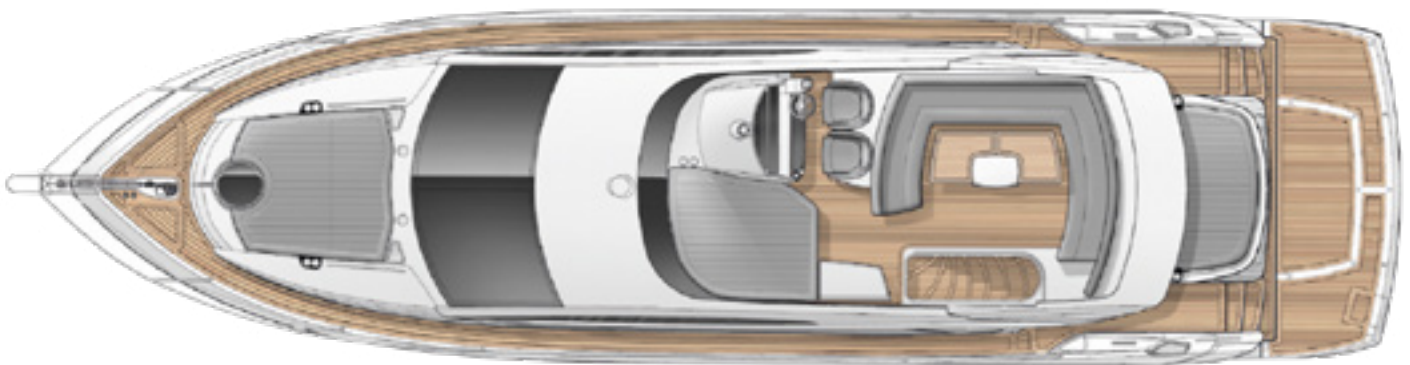

For overnight excursions, the lower deck has three cabins: master cabin with one double berth and en-suite bathroom, VIP cabin with one double berth and one more cabin with twin beds.

Designed to provide ultimate comfort during your stay, each cabin is equipped with an audio system and LCD screens.
