EXPLORE AN URBAN RETREAT

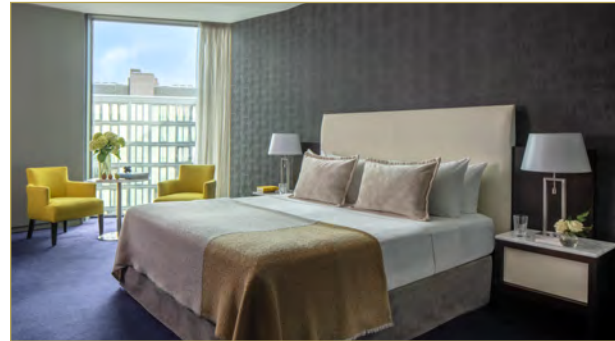

Elegance and class in a futuristic setting. The building's architecture draws on elements of the Irish landscape combined with a sleek urban aesthetic. Inspiration comes from the geometric shapes that exist naturally on the Irish island, from the rugged Burren landscape to the unique hexagonal stones of the Giant's Causeway. This elemental style is carried through from the stunning ground-floor bar and restaurant, to the unique geometric layouts of our 187 bedrooms, and to the striking rooftop bar, where the views reach across the cityscape to the wild natural beauty of the mountains and the Irish Sea.
